St Mary's Catholic Primary Blackbrook

Self Isolation

In the case of your child having to isolate, and they are well enough to learn, please follow the instructions below.

Day One

- Research an animal that lives in the Arctic or Antarctic and create a leaflet including the information such as what the animal eats, how the animal has adapted to suit where it lives and what it looks like.
- Practise your Year 2 Common Exception spellings that were sent home at Christmas.
- Have a go on TT Rockstars and RM Maths to improve your scores.
- Create a poster showing the risks that you might find in a house, label potential dangers.

Day Two

Log into you Teams account, your teacher will send you a timetable of work to complete whilst you are isolating. Return this work on Teams so your teacher can mark it.
