Homework

Homework consolidates in class learning and it is therefore important that this is completed and returned promptly so that your class teacher can mark and discuss this with your child before sending out follow up work. **Homework is therefore sent out on a Friday and should be returned on or before Wednesday.**

Spellings

Spellings are sent home on a weekly basis. . We ask that the children practise the ten spellings daily and this will be tested each week before new spellings are sent home. In addition, the children are now choosing a further two spellings from their class work.

Reading Books

Please sign in the Home Reading Diary when your child has read (parents at least once a week—children everyday)

We encourage reading a range of texts other than the books sent from school.

Topic

Rainforest research

Year 6 - Spring Term

Have we got news for you...

Come and See

TOPIC 1

SOURCES

Explore

A wide variety of books and the purpose for which they were written.
