Explore

There are special people in our lives who are there to help.

Reveal

That on Sunday in church we meet people who special jobs.

Jesus is the special person for the parish family

Meals

Explore

Families and groups share special meals

Reveal

Celebrate Mass as Jesus' special meal.

Catholics go to Mass as members of God's family

The story of The Last Supper

Change

Explore

That we change and grow

Reveal

Lent is a time to change in preparation for Easter

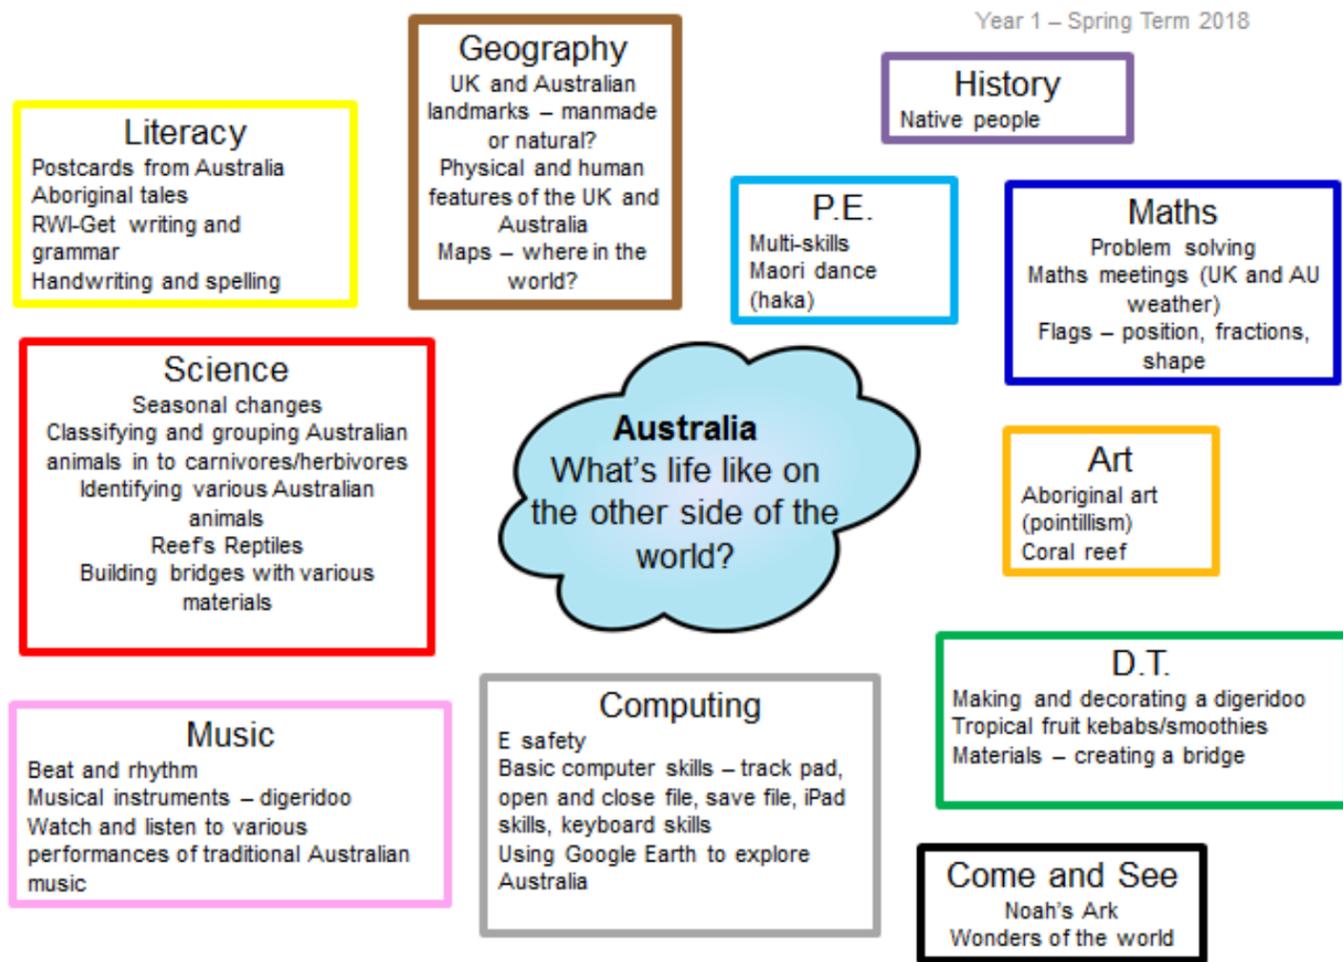

Jesus died on Good Friday

Easter Sunday: Jesus is Alive

Creative Curriculum

Our topic for the Spring term will be *Australia– What’s life like on the other side of the world?* We will be focusing on how life in Australia differs from life in the United Kingdom. Here is an overview of some of the activities that we will be covering this term -

Numeracy

This term in Numeracy, we will be building on the number work that we have done in the last term.

- Counting forwards and backwards to at least 100 — forwards and backwards in 1s, 2s, 5s and 10s beginning with any given number.
- Finding one more and one less than a given number to 20 and beyond.
- Solving problems involving addition and subtraction.
- Adding single digit numbers together and adding a single digit number to a two digit number.
- Partitioning numbers into tens and ones.

Literacy

In Literacy we will be continuing to work in Read Write Inc groups on basic skills including phonics, handwriting, reading, spelling and sentence structure. We will also be preparing for the Year One Phonics Screen by reading real and nonsense words. However, children will work within the classes to develop further literacy skills. This includes

- Poetry and rhymes
- Traditional Australian tales (aboriginal)
- Postcard writing
- Non-fiction focus on weather reports and Australian animals.
- Focus on how to punctuate a sentence correctly using full stops, capital letters, exclamation marks and question marks.
