

Geography

Local weather
Weather around the world
Extreme weather
Seasonal change
Map (countries/Oceans)
Volcanoes
Earthquakes

P.E.

Weather Dances
Seasonal Team Sports
Rhythm, movement
and balance

History

Natural History -
How the earth
changes over time
(e.g. volcanoes,
earthquakes)

Maths

Measurements in the
weather station
Understanding of scales -
e.g. Temperature,
Volume, length
Seasons - months of the
year
Addition and subtraction
Number bonds to 10 and 20
Place value

Science

Seasonal Change
Materials
Plants
Investigation - waterproof materials
Chemical reaction - volcanic eruption

How
Does the
World Change?

Literacy

Weather Reports
Instructions - How to make a volcano
weather Poems
Traditional tales
Stories from other cultures.

Computing

Weather forecasting
Recording weather forecast (iPad)
Algorithms - develop instructions for
navigating

Art

Winters skies/silhouettes
Tornadoes

Music

Musical poems
(sounds of a thunder storm)
Stravinsky's Firebird

D.T.

Make a weather vane
Make a volcano
Food technology →
What food would we
eat in each season.

Come and See
