Journey In Love

Year 6 –The wonder of God’s love in creating new life

Physical

How human life is conceived.

Emotional

Relationships develop and eventually, you may be able to use the word love.

Social

Recognise and compile a list of the signs of love expressed in those around us. Reflect on the different degrees of friendship that exist.

Spiritual

Understand that God causes new life to begin through the love the parents have for each other. Celebrate God’s creative love in creating us as his children and recognise that we grow as human beings to the extent we give and receive love. The on-going understanding of marriage is living out love.

As Christian we can appreciate the sheer wonder of the sexual act. God created the incredible natural process by which husband and wife bring new life into the world. The Church celebrates all this in the sacrament of Marriage.
