## Accessibility Plan

### Introduction

The SEN and Disability Act 2001 extended the Disability Discrimination Act 1995 (DDA) to cover education. Since September 2002, the Governing Body has had three key duties towards disabled pupils, under Part 4 of the DDA:

1. not to treat disabled pupils less favourably for a reason related to their disability;
2. to make reasonable adjustments for disabled pupils, so that they are not at a substantial disadvantage;
3. to plan to increase access to education for disabled pupils.

This plan sets out the proposals of the Proprietor/Governing Body of the school to increase access to education for disabled pupils in the three areas required by the planning duties in the DDA:

- a) increasing the extent to which disabled pupils can participate in the school curriculum;
- b) improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
- c) improving the delivery to disabled pupils of information, which is provided in writing for pupils who are not disabled.

It is a requirement that the school's accessibility plan is resourced, implemented, reviewed and revised as necessary and reported on annually. Attached is a set of action plans showing how the school will address the priorities identified in the plan.

### The School's Context

St Mary's School buildings are well designed to meet the needs of disabled pupils:

- all classrooms are on the ground floor;
- use of these classrooms can be rotated to meet pupils' needs;
- all public-access rooms, including front and back entrances, toilets, library, and hall are on the ground floor, with no steps;
- the school has 3 disabled toilets

### Definition of Disability

Disability is defined by the Disability Discrimination Act 1995 (DDA):

"A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day to day activities".

### The School's Aims

- embraces a partnership between the school and home
- offers to each member the opportunity to grow in knowledge fostered through Christian values and guidance.
- every individual has a right to be part of a community where each member is valued and respected for their own worth irrespective of race, colour, creed or ability
- children will be helped to appreciate that they are members of the wider community in its richness and diversity
- curriculum provides a setting in which all children have an equal opportunity to grow in understanding and in the acquisition of skills, attitudes and values.

We are working within a national framework for educational inclusion provided by:

- Inclusive School (DfES 0774/2001)
- SEN & Disability Act **2001**
- The **SEN Revised Code of Practice 2002**
