	Improper fractions (Part 1)										Spelling										To generate points to use in our persuasive letter.										Images in the media										Miss Griffiths' Class									
	In this lesson, you will recognise and name improper fractions and mixed numbers.										Use Oxford Owl for extra spelling practice.										In this lesson, we will begin to prepare to write our persuasive letter by generating points to use in our argument.										You are perfect! Did you know that? Well, if you didn't, this lesson will remind you and show you that you are perfect just the way you are! To begin the lesson, we will really break down what the term 'images in the media' means and then visit a photographer who will show us how photos are edited and explain why companies use photoshopped pictures to sell their product. We will finish the lesson by creating an uplifting postcard which we can give to someone we know and put a smile on their face!										Login: Y5CG
